PROFESSIONAL SUMMARY

MCA student with a strong foundation in software development, web application development, and database management. Proficient in Python, SQL, PHP, and JavaScript with hands-on experience building full-stack web applications. Skilled in Object-Oriented Programming (OOP), Data Structures, SDLC, and debugging. Demonstrated ability to deliver functional, user-centric applications through academic projects. Effective collaborator who also thrives working independently.

TECHNICAL SKILLS

Programming Languages: Python, PHP, JavaScript, C, SQL

Web Technologies: HTML, CSS, JavaScript, Bootstrap

Databases: MySQL, MongoDB

Tools & Platforms: Git, XAMPP, Visual Studio Code

Concepts: Object-Oriented Programming (OOP), Data Structures, DBMS, Software Development Life Cycle (SDLC), Debugging

PROJECTS

OutfitOn – Online Cloth Rental System

Full-Stack Web Application | Technologies: PHP, MySQL, HTML, CSS, Bootstrap, JavaScript

- Developed a full-stack online cloth rental platform enabling users to browse, book, and return clothing items online
- Implemented secure user authentication and a vendor dashboard for managing inventory and listings
- Built rental booking functionality with From Date and To Date selection for accurate availability tracking
- Designed a fully responsive UI using HTML, CSS, Bootstrap, and JavaScript for seamless cross-device experience
- Developed order management and payment handling modules to support end-to-end transaction flow

ATM Finder System

Web Application | Technologies: JavaScript, HTML, CSS, Bootstrap, MySQL

- Built a location-based ATM Finder web application to help users identify and navigate to nearby ATMs quickly
- Implemented location-based search and ATM filtering using JavaScript for real-time results
- Designed a responsive and intuitive UI with HTML, CSS, and Bootstrap for consistent experience across devices
- Integrated MySQL database to store and manage ATM location records efficiently
- Optimized search performance and navigation support, improving overall user experience

EDUCATION

Master of Computer Applications (MCA)

Raaamaiah Institute of Technology, Bengaluru

Pursuing
CGPA: 8.22 (1st Semester)

Bachelor of Computer Applications (BCA)

Kamadhenu BCA College, Karwar

2025
CGPA: 8.81

KEY STRENGTHS

Problem-Solving & Analytical Thinking • Independent Work with Minimal Supervision • Team Collaboration & Communication • Quick Learner & Adaptable
